

GURANTEED PRICE SOLICITATION

For Treatment of Emerald Ash Borer in Burr Ridge, IL

The Village of Burr Ridge seeks proposals from certified arborists for the application of preventative insecticidal treatments to Ash trees in order to resist the spread of Emerald Ash Borer. The Village seeks a one-year guaranteed price for application of an Injectable insecticide (Tree-Age^T) with active ingredient Emamectin Benzoate, or Village approved equal, and the Village seeks a one-year guaranteed price for application of a Imidacloprid basal root drench systemic insecticide (Bayer Advanced GardenTM Tree and Shrub Insect Control), with active ingredient Imidacloprid, or Village approved equal.

The guaranteed price treatment, as solicited herein, may be used by the Village to treat any number of publicly owned Ash trees (currently estimated at 2,252), and will be extended to all Village residents for the treatment of any number of privately owned Ash trees.

Responding contractors must have a qualified supervising arborist, certified by the International Association of Arborists, and must have all necessary certifications for the application of pesticides in the State of Illinois, including a pesticide application license through the Illinois Department of Agriculture. The successful respondent(s) must be licensed, bonded, and insured, and must provide the Village of Burr Ridge with copies of such, with insurance that specifically names the Village of Burr Ridge as additional insured. All respondents must provide a copy of their Illinois Department of Agriculture Emerald Ash Borer Compliance Agreement, which will be retained on file at Village Hall.

Should your company be interested in being considered for this proposal, **please complete the following form and return it to the Village of Burr Ridge by 3:00 PM Friday, August 22, 2008, along with a transmittal letter on company letterhead, and a copy of the IDA EAB Compliance Agreement for your company.** Completed responses may be transmitted to the following:
